- After the splash screen you can choose either a Manager or a Customer option.
- The username and password for the manager are: manager-000
- As a customer you have to sign up in the application. All the asked fields should be filled or there would be errors accordingly.
- Your Social ID must only contain numbers.
- Phone numbers must be added in the correct form as well.
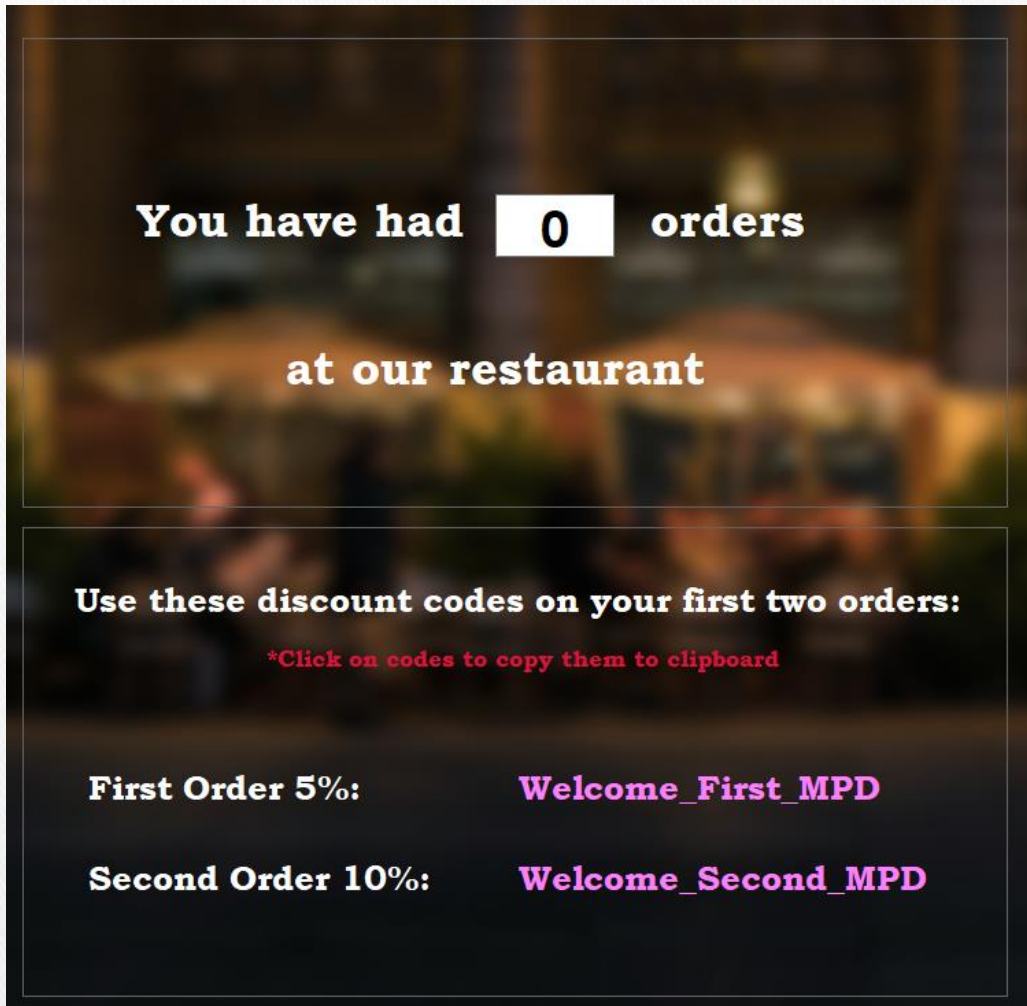

This is application's main menu.

From This section, you can choose which part of the app you want to use.

The menu includes:
- Home Tab
- Order Tab
- Shopping List Tab
- Payment Tab
- Orders History Tab
- Account Settings Tab

Don't forget to try clicking on menu button. It's magical!

Home Tab:

First panel indicates the number of your orders from the restaurant.

Second panel contains two discount codes which can only be used on your first two orders.

Clicking on each code copies it to system's clipboard.
